WINE

Our wines are an ever-changing selection of small and unique batches sourced by our sommelier from some of the most accomplished winemakers and cellars within the Western Cape.

Most are once-off creations, only available at the Hoghouse Garage for a limited time. The individual wines are identified by their lot numbers with no indications of vintages or grapes on the bottles.

We appreciate wine for what is on the inside rather than on the outside of the bottle and we believe it should first and foremost be delicious, balanced and a little bit intriguing.
